**Please note: It can take up to 24 hours for training courses to be allocated having logged on for the first time, if the courses do not appear having logged on for the first time, please check back the following day.**

As a requirement of the Safeguarding Code, you need to make opportunities available for basic safeguarding training and make sure you are monitoring and tracking this.

NEST Management provides all the training courses you need access to and will help you monitor and track your training through My MA, and if you are a school owner you will be able to see the personnel that have undertaken these courses too! We have provided 13 hours of CPD (Continuing Professional Development) training for you to dip in and out of as you please and ensure you are fully up to date with safeguarding training

**In order to apply for the Safeguarding Code you only have to declare you have access to Safeguarding training and don't actually have to undertake the training in time for completing the application.**

The following courses are available to undertake through myMA as you feel necessary, these can be made available for admin staff and all instructors within your club even if they do not currently have access to myMA. Should you wish for them to undertake these courses please get in touch with our customer services team and they will be able to set up login access for training only.

There are a selection of courses to complete as listed below:

Safeguarding in Sport – 2 CPD hours  
Concussion Awareness – 1 CPD hour  
Preventing Bullying in Sport – 1 CPD hour  
Mental Wellbeing in Sport – 1 CPD hour  
An intro to safety in clubs – 2 CPD hours  
Child Sexual Exploitation – 1 CPD hour  
Child Protection in Sport – 5 CPD hours  
Total – 13 hours of Continuing Professional Development training

The more courses the better however there is no requirement to do all training courses, merely just declare you have access to training courses.

All participants receive a CPD certified certificate at the end of the course.
